Bear's honey hunt

Read a short story and put the events in order.

I can retell a story in the right order.

1 Read the story

Bear woke up hungry. He wanted honey for breakfast.

He walked into the forest and found a tall tree with a beehive at the top.

Bear climbed up slowly. The bees buzzed, but he was very careful.

At last he got a little honey, and he shared it with his friend Rabbit.
