Earth Day worksheet: reduce, reuse, recycle

Sort trash into the right bin and learn three ways to help the Earth.

I can sort things to recycle or compost.

1

Count

Count. Write the number.

=

=

=

=

2 ♻️ Which bin?

Write each one in the right bin.

- can banana peel newspaper apple core box leaves

Recycle ♻️

Compost 🌱

3 🔄 Three R's

Draw a line from each word to what it means.

☐ Reduce ●

☐ Reuse ●

☐ Recycle ●

● A. Use it again.

● B. Make it into something new.

● C. Use less.

4 Circle it

Circle the right answer.

1. Which one can you use again and again?

A  cloth bag

B  used tissue

2. Which one goes in the recycle bin?

A  can

B  banana peel

5 Yes or no?

Circle True or False.

1. Trees help Earth.

True

False

2. We can recycle a can.

True

False

3. A banana peel goes in the recycle bin.

True

False

4. Turning off the tap saves water.

True

False

5. Litter is good for the park.

True

False

6 More or less?

Write >, < or = in each circle.

4

3

2

5

5
