Grade 1

# Winter math: snowball fight within 20

Add up snowballs for the red team and the blue team. Who has more?

I can add and subtract within 20 and compare two numbers.

1

## Winter count

Count each group and write the number.

=

=

=

=

2

## Team scores

Add the two rounds for each team.

| Team | Round 1 | Round 2 | Total |
|------|---------|---------|-------|
| Red  | 6       | 5       |       |
| Blue | 8       | 7       |       |

3

## Snowball stories

Write the answer.

- Red threw 12 snowballs. 5 hit the fort. \_\_\_\_\_ missed.
- Blue made 9 snowballs and then 8 more. Now they have \_\_\_\_\_.
- There were 20 snowballs. 10 melted. \_\_\_\_\_ are left.

4

## Who wins?

Use the team scores. Circle the right answer.

- Which team has more in all?

☐ A Red

☐ B Blue

- How many more does that team have?

☐ A 3

☐ B 4

☐ C 5

5

**Snowball drill**

Write the answer.

1.  $6 + 8 =$  \_\_\_\_\_

2.  $9 + 7 =$  \_\_\_\_\_

3.  $13 - 6 =$  \_\_\_\_\_

4.  $15 - 9 =$  \_\_\_\_\_

5.  $5 + 5 + 5 =$  \_\_\_\_\_

6.  $18 - 9 =$  \_\_\_\_\_

7.  $12 - 4 =$  \_\_\_\_\_

8. \_\_\_\_\_  $+ 6 = 10$

6

**More or less?**Write  $>$ ,  $<$  or  $=$  in each circle.

$7 + 5$

13

$16 - 8$

8

$9 + 9$

17

$14 - 5$

10

$6 + 4$

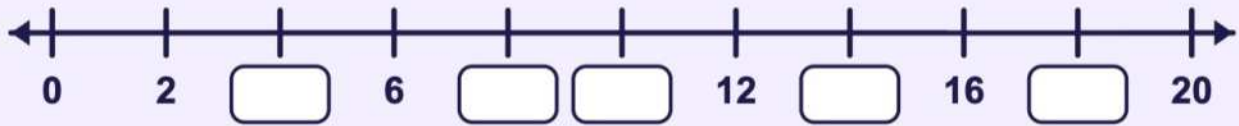

10

7

**Count by 2s**

Write the missing numbers on the number line.

8

**Snow day problems**

Circle the right answer.

1. Maya has 8 mittens. She loses 2. How many are left?

**A** 6**B** 10**C** 5

2. There are 7 snowmen. Kids build 6 more. How many snowmen now?

**A** 12**B** 13**C** 14

3. Tom made 11 snowballs. Kim made 4. How many more did Tom make?

**A** 15**B** 6**C** 7

4. Which one makes 15?

**A**  $8 + 7$ **B**  $8 + 6$ **C**  $9 + 7$ 

9

**Snow forts**

Draw 2 snow forts. Draw 7 snowballs by one fort and 5 by the other. Write how many more one fort has.

How did it go?
